

Scientific Programme Manager – Food contact materials or Cosmetics

Grade: A1/A2

Salary: from €5 536 (A1) and €7 074 (A2) per month (gross)

Location: Strasbourg (France)

Reference: Vacancy Notice n° e59/2024

Deadline for applications: 11/12/2024

Would you like to contribute to the activities of an international organisation working for the protection of public health? Do you have the potential to play a key role in elaborating European regulatory standards and guidelines in the food contact materials or cosmetics field that align with the EDQM's 2024-27 Medium-Term Strategy? Could you help the EDQM address current and emerging challenges and priorities in those fields, for the benefit of consumer health? Would you be able to work efficiently with EDQM experts representing our member states, to foster their engagement and to improve decision making at intergovernmental level?

If so, this vacancy may be the right opportunity for you.

What we offer:

- International Working Environment
- Holidays wellbeing and work-life balance
- Private Health Insurance
- Sustainable working environment
- Flexible Working/ Teleworking
- Attractive tax-free salary

If you meet the eligibility criteria and are a citizen of one of the 46 member States of the Council of Europe, please submit your application using our [online recruitment website](#) and click [here](#) to find out why you should join the [EDQM](#).
